

Students seeking the B.S. degree in Speech Pathology and Audiology may complete elective or substitution requirements from the following courses below. Please verify any required requisites, such as upper division standing or lower division prerequisite requirement, through the university catalog before registering.

Once you have made your selections, please email them to the Department ASC. Explain whether the courses you selected are electives or substitutions. If substitutions, indicate for which class or classes. This information will then be on file for your grad check. Email: [marianna.wolff@csueastbay.edu](mailto:marianna.wolff@csueastbay.edu)

**All substitutions and upper division electives must be taken for a grade.**

**Courses in blue *bold/italics* can also be applied towards upper division GE requirements.**

Any **one** Sign Language Course (4)

Any **one** upper division HDEV course beyond the required HDEV prerequisite option courses for registration in SPPA 4854. (HDEV 4110, HDEV 4120).
