Note: This information is provided for general advising and may not be appropriate for all students nor current at the time you are beginning the program. Also, this sample schedule is not a guarantee that courses or entire program sequence will be offered as shown. Completion of the program outlined here does not guarantee, in itself, the award of a degree, or the completion of all requirements for ASHA Certification, State of California Licensing, or the CCTC Credential to work in the public schools. Please refer to the University Catalog for additional information, and meet with an Advisor for guidance.
