Young lovers Hero and Claudio are to be married in one week. To pass the time, they conspire with Don Pedro to set a "lover's trap" for Benedick, an arrogant confirmed bachelor, and Beatrice, his favorite sparring partner. Meanwhile, the evil Don Jon conspires to break up the wedding by accusing Hero of infidelity. In the end, though, it all turns out to be "much ado about nothing."

This classic look at America in the '60s offers memorable music that is a celebration of the spirit of the '60s. Come see how performers almost two generations distant from those times interpret Hair's messages about culture, war and youth.
