DEPT. OF COMMUNICATIVE SCIENCES AND DISORDERS
UNDERGRADUATE REQUIREMENTS

Required Lower and Upper Division Courses outside of the Department
The courses below can be taken concurrently at any time during the first year of SPPA courses.
Note: Note that BIOL 1001, 1002 AND BIOL 2010 are pre-requisites for Spring Quarter’s SPPA 3854.

☐ BIOL 1002 (1) Introduction to Biology Lab (Also allowed by catalog: BIOL 1004, 1005)
☐ BIOL 2010 (5) Human Physiology & Anatomy (Also allowed by catalog: BIOL 2011)
☐ PSYC 1000 (5) General Psychology (Also allowed by catalog: PSYC 1001, 1005, 2004, 2009)
☐ STAT 1000 (5) Elements of Probability and Statistics

While not required for the major, the following courses are required prerequisites for SPPA 4854, and should be completed by the end of the Fall Quarter of your second year at the latest.

☐ HDEV 4110 (4) Child Cognitive Development OR ☐ PSYC 4420 (4) Developmental Psychology
☐ HDEV 4120 (4) Child Language Development OR ☐ PSYC 4740 (4) Psycholinguistics

Required Upper Division Courses within the Department
The charts below show when SPPA courses are currently offered by quarter during the year, and the order in which they are normally taken during a two-year period.

(continued …)

1 The HDEV or PSYC courses can apply towards the undergraduate requirement of 16 upper division elective units outside of the department. See back for details on electives.
Clinical Practicum
SPPA 4856, in which you are assigned to provide therapy to a client in our Speech Language and Hearing Clinic, can only be taken upon recommendation. If you are not recommended, or opt out of SPPA 4856, you must take SPPA 4853, Vocal Pathology and Rehabilitation, as a substitution course.

Upper Division Electives
For the undergraduate degree, a minimum of 16 units outside of the department are needed. 8 of these units are the earlier stated prerequisites for SPPA 4854.

- HDEV 4110 (4) Child Cognitive Development OR PSYC 4420 (4) Developmental Psychology
- HDEV 4120 (4) Child Language Development OR PSYC 4740 (4) Psycholinguistics.

If you are planning to apply to our master's program in speech pathology and audiology, the following 4 unit course should be taken:

- ENGL 3010 (4) Modern English Grammar (Also allowed are ENGL 3005, 3015)

You may select your final 4 unit course(s) from the possible following elective courses:

Any one Sign Language Course (4)
ANTH 3720 (4) Medical Anthropology
ANTH 3800 (4) Language and Culture
EPSY 6750 (4) Foundations of Counseling
PSYC 3250 (4) Behavior Modification
PSYC 3520 (4) Interpersonal Processes
PSYC 4220 (4) Cognitive Processes
PSYC 4320 (4) Physiological Psychology
PSYC 4345 (4) Sensation and Perception
PSYC 4410 (4) Abnormal Psychology
PSYC 4630 (4) Intro. to Psychotherapy and Clinical Methods
COMM 3810 (4) Introduction to Communication Theory

Note: This information is provided for general advising and may not be appropriate for all students. Completion of the program outlined here does not guarantee, in itself, the award of a degree, or the completion of all requirements for ASHA Certification, State of California Licensing, or the CCTC Credential to work in the public schools. Please refer to the University Catalog for additional information, and meet with an Advisor for guidance.
